Defense Acquisition University

Learn. Perform. Succeed.

FAST FACTS

DAU provides a global learning environment to develop qualified acquisition, requirements, and contingency professionals who deliver and sustain effective and affordable warfighting capabilities.

DAU engages acquisition organizations to help improve acquisition outcomes through:

- Consulting efforts
- Rapid-deployment training on emerging acquisition initiatives
- Targeted training

DAU is accredited by the Council on Occupational Education and the International Association for Continuing Education and Training.

DAU is the one institution that touches every member of the Defense Acquisition Workforce throughout all professional career stages through:

- Basic, intermediate, and advanced certification and assignment specific training
  www.dau.mil/training
- Information on continuous learning is available at
  www.dau.mil/clc
- Online knowledge-sharing tools are located at
  www.dau.mil/otherproducts

Apply DAU credits towards a degree.
