

DOD REGULATIONS ISSUED TO IMPLEMENT DAWIA FROM 1991-1992

DoDD 5000.52, *Defense Acquisition Education and Training Program*, issued October 15, 1991 and Manual 5000.52-M, *Career Development Program for Acquisition Personnel*, issued November 1991. They were to be the sole DoD regulatory authority for mandatory DoD-wide acquisition training.

DoDI 5000.55, *Reporting Management Information on DoD Military and Civilian Acquisition Personnel and Positions*, issued November 1, 1991. Established a management information system capable of providing standardized information on acquisition positions and persons serving in acquisition positions as required under DAWIA.

DoDD 5000.57, *Defense Acquisition University*, issued October 22, 1991. Established the Defense Acquisition University.

DoDI 5000.58, *Defense Acquisition Workforce*, issued January 14, 1992. Provided the policy for designating acquisition positions and critical acquisition positions for managing the acquisition workforce, and for establishing and managing the Acquisition Corps.

DODD 5000.1, *Major/Non-Major Defense Systems*, DODI 5000.2, and Manual 5000.2-M. Cornerstone of DoD's efforts to improve acquisition management raising the stature and authority of program managers.
