

UNDER SECRETARIES OF DEFENSE

PL 95-140, October 21, 1977, established the position of Under Secretary of Defense, at a level immediately below the Deputy Secretary of Defense. The two initial appointees to this rank were the Under Secretary for Policy and the Under Secretary for Research and Engineering, the latter replacing the Director of Defense Research and Engineering. The Military Retirement Reform Act of 1986 established the position of Under Secretary for Acquisition as the successor to the Under Secretary for Research and Engineering. The title changed to Under Secretary (Acquisition and Technology) in the Defense Authorization Act of 1994, PL 103-160, November 19, 1993. The Defense Authorization Act for Fiscal Year 2000 (PL 106-65) redesignated the Under Secretary of Defense (Acquisition and Technology) as the Under Secretary of Defense (Acquisition, Technology, and Logistics (USD[AT&L])).
