

Directions to Building 11 Naval Station Newport, RI

Location:

Training Room 102B
Building 11
Simon Pietre Road
Naval Station Newport
Newport, RI

Building 11 is located on Simon Pietri Road, towards the north end of Naval Station Newport. If you have a CAC or other military ID card, including a retired military ID, you should use Gate 17. That's all you need to drive on to Naval Station Newport. Only the driver needs one of these IDs, passengers do not.

Take "**Gate 17 Access Road**", located off Route 114 (also called West Main Road) in Middletown, RI. The access road is located at a stop light just 100 yards north of a Hess Gas Station and a Staples Store on Route 114.

Follow Gate 17 Access Road to the end, about 1 mile, at the bottom of a hill. Turn left into Gate 17.

Once inside Gate 17, drive straight about 200 yards and take the first left, on to Andersen Avenue. Go to the end of Andersen Avenue, at the top of a hill, to a stop sign. Turn left on to Simon Pietri Road.

Building 11 will be right in front of you. Enter parking lot on the right.

NOTE: Additional parking is available on the north side of the building. Just go back to Simon Pietre Road, turn right, and drive to the other side of the building.

The class will be in the north wing of the building, room 102B. Building 11 is not occupied by any personnel. It's used just for our training. Coffee will be available in the classroom but there are no vending machines or food services. A refrigerator is available for your use to keep lunches or cold drinks. There are a variety of restaurants and fast food places on Route 114.

The class starts at 0800.

If you do not have a CAC or retired military ID, you will need to apply for a Pass at the Naval Station Pass Office near Gate 1. You should contact David Souza, DAWIA PM (401-832-5722) for the appropriate paper work.
