

Distinguished Speaker Series

The **Distinguished Speaker Series** is modeled after the Commandant's Lecture Series of the U. S. Army War College (USAWC). As an enhancement to the core curriculum, DAU will sponsor lectures that permit leaders from the military, academia, and industry to share their considerable insights and experiences with the Fellows.

In the 2009-2012 SSCF Programs, guest speakers included Mr. Gary Martin, SES, Deputy to the Commanding General, CECOM; Ms. Barbara Panther, SES, Director, Civilian Human Resources Agency; MG N. Lee S. Price, Program Executive Officer, Command, Control, Communications (Tactical) (PEO-C3T); and Retired Lieutenant General Paul T. Mikolashek, Vice President Raytheon International Inc.

Mr. Bill Sverapa
Deputy, PEO-C3T

The small group settings allow the Fellows personal one-on-one time to hear and interact with senior leaders with different backgrounds and experiences and multiple points of view.
