

# Appendix E — Continuing Education Units

Acquisition, technology, and logistics employees may meet professional association continuing education requirements by taking DAU-sponsored courses. DAU is a member of the International Association for Continuing Education and Training (IACET), a nonprofit membership group of over 650 organizations and individuals involved in continuing education. As such, DAU is an authorized provider of Continuing Education Units (CEUs), a measure of continuing education participation for many professional associations and organizations. CEUs can also be converted to Continuous Learning Points (CLPs) to meet the DoD

continuous learning requirements. Generally, 1 CEU equals 10 CLPs. (Please note that CEUs are not measures of academic credit. See Appendix F for DAU courses eligible for academic credit.)

The following table provides the CEUs for each DAU-sponsored course, which may be applied toward professional requirements. For more information on CEUs, contact Ms. Lisa Johnson at (703) 805-3503, DSN 655-3503, or lisa.johnson@dau.mil. For updates, consult the online DAU Catalog at <http://www.dau.mil>.
