## ManageMentor Modules and Online Simulations

Experience best-in-class leadership/management reference modules and simulations developed by world-class experts—available to you 24/7.

Thanks to a partnership between the Defense Acquisition University and Harvard Business Publishing, Defense Acquisition Workforce members have access to two Harvard Business online tools: ManageMentor and Online Simulations.

### ManageMentor

Provides online modules that draw on substantial new research from recognized thought leaders to enhance your day-to-day performances. Provides proven concepts and tools, worksheets, and step-by-step guides to help in everyday management and leadership experiences.

Acquisition professionals will learn and experience:

- Laying the foundation for successful advancement into a management career
- A systematic approach to prepare for and succeed in new positions
- How to identify and apply exceptional leadership traits

### Online Simulations

Interactive case/scenarios strengthen managers' communication and decision-making skills through interactive, contextual, learn-by-doing activities.

Acquisition professionals will learn and experience:

- Feedback and tools to help make better decisions
- Immersive settings that model real business environments
- Common leadership challenges
- Repercussions of their own decisions first-hand
