Benefits of Engaging the Learner

DAU's Performance Learning Model (PLM)

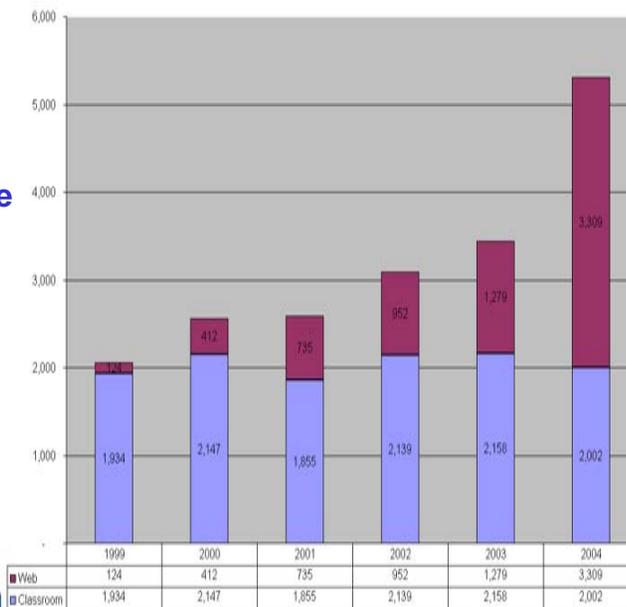

Provides Career-long Learning Opportunities to the BCEFM Community

Certification Training Modernization:

BCF 205 converted to a **Business Simulation**: BCF 211A simulates a year in a business office; **Streamlined** BCF, BCF 102, BCF 103, and BCF 102, 103, and 211A; and EV and Cost Estimating courses use **same software tools found in workplace**.

Communities of Practice:

Business Cost Estimating and Financial Management website links to teaching materials, source documents and other sites of interest. Interactive forums include: **Defense Industry Business Management, Cost Analysis, Financial Management, and Earned Value Management**

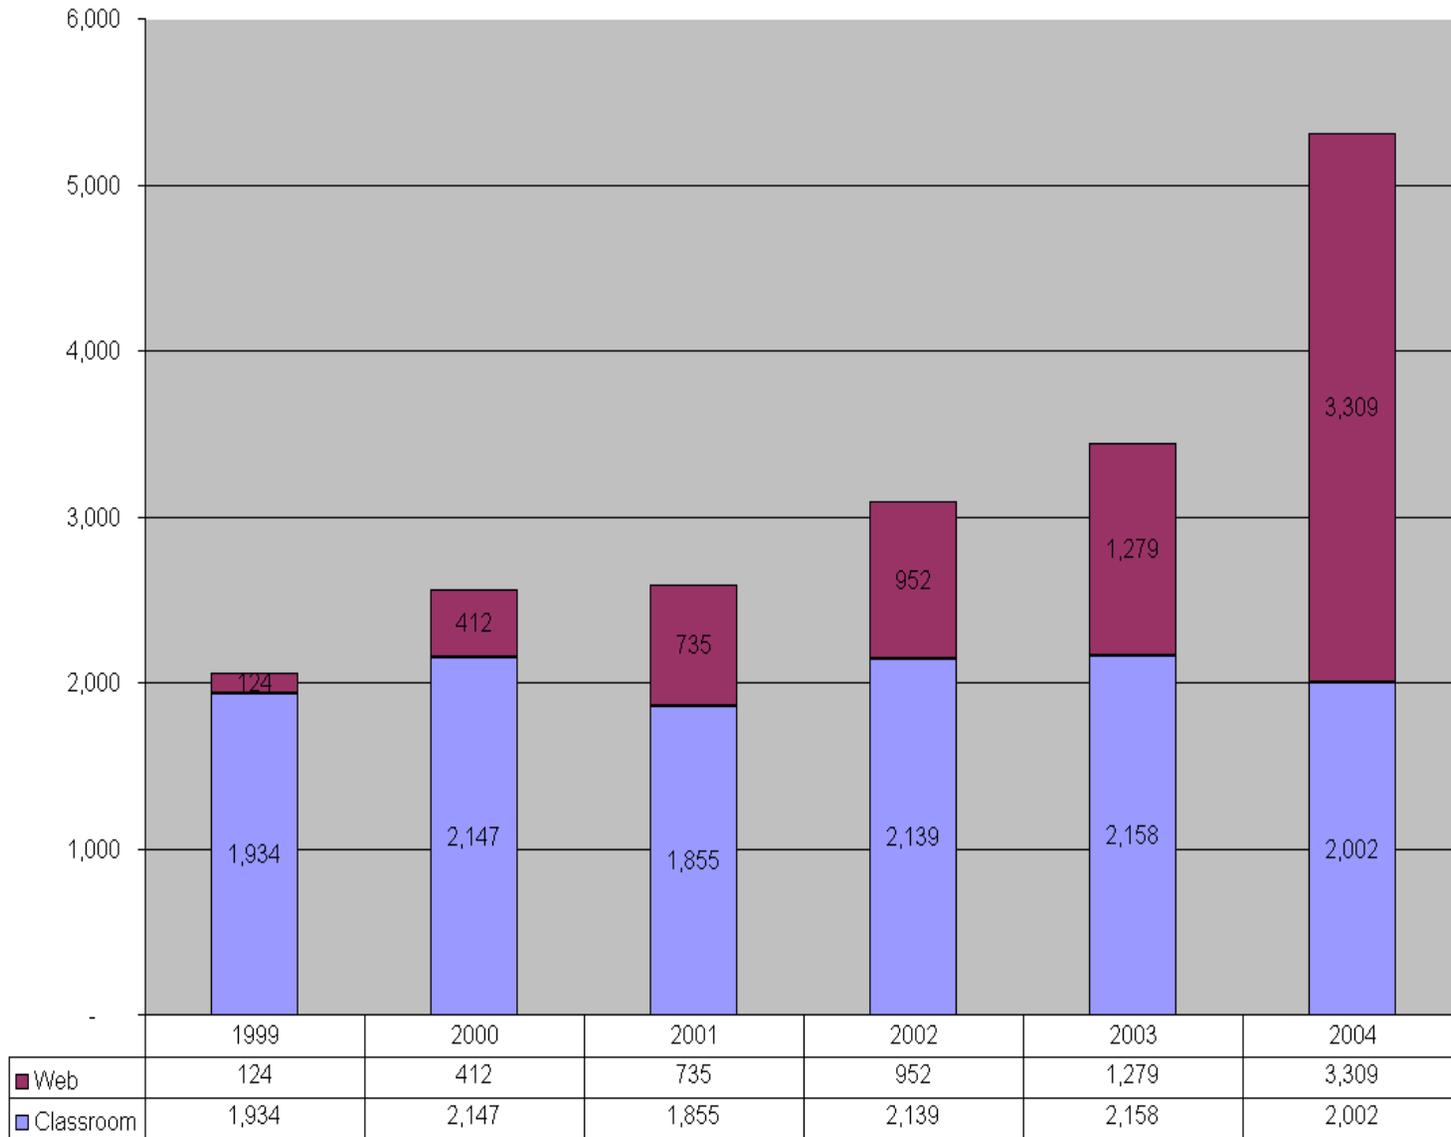

- **SASC Staff EVM Training Feb 04**
- **RDT Training 15 Locations on Changes to PPBE**

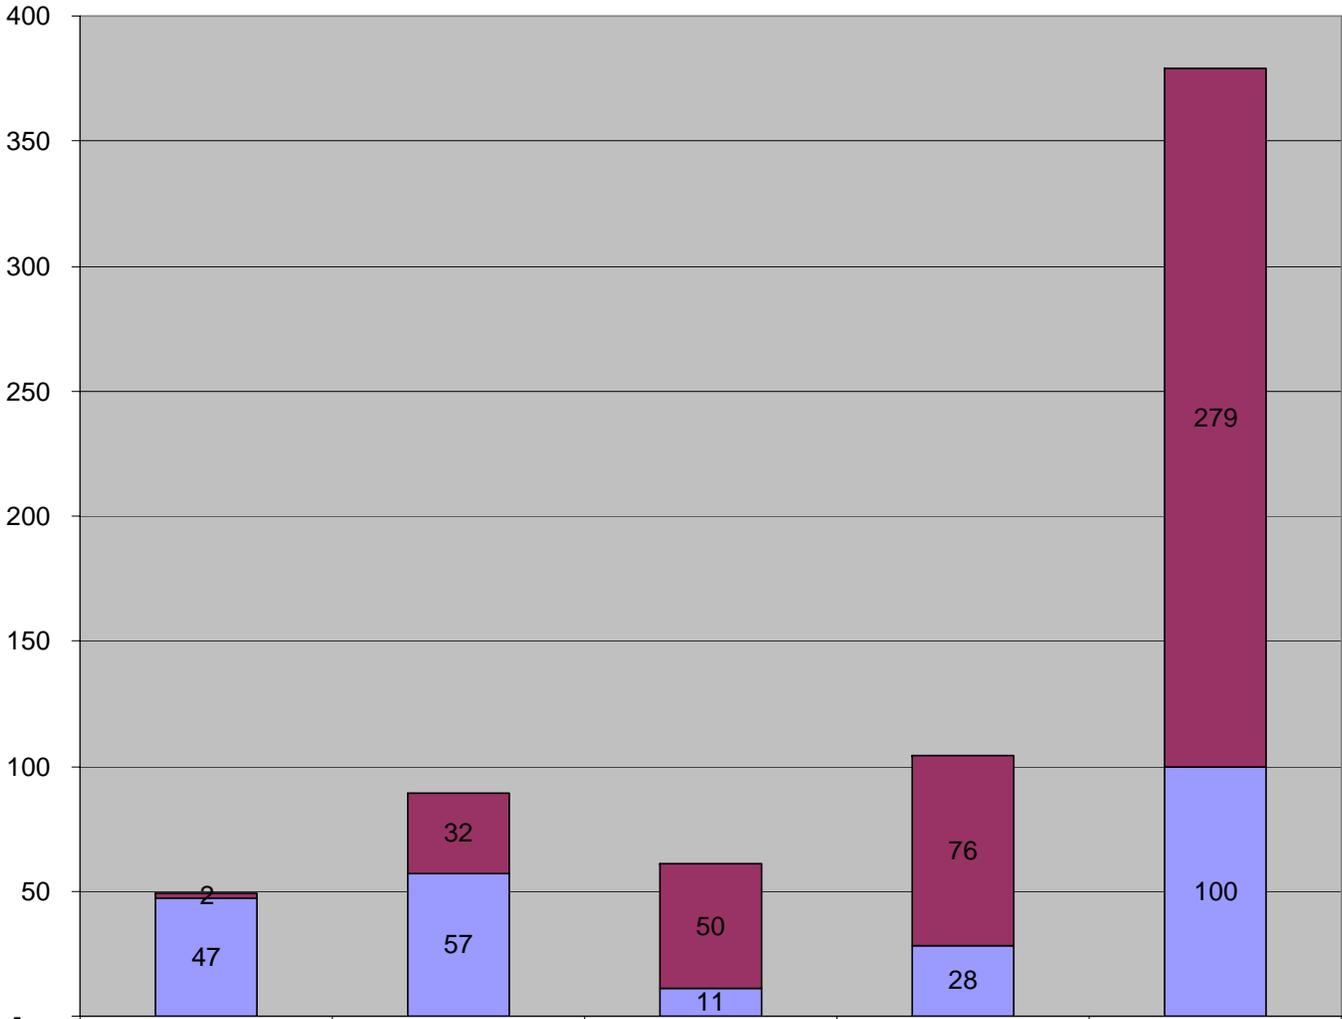

Continuous Learning: BCF102 ,103 and BCF 211A content **are also available on line as Continuous Learning Modules**

The PLM provides you with more control over your lifelong learning solutions. We have transformed our concept of learning to extend beyond the course itself
