

## **Dr. Richard Burke**

### **Director, Operations Analysis & Procurement Planning Division Office of the Secretary of Defense/Program Analysis & Evaluation**

Dr. Richard Burke is Director of the Operations Analysis and Procurement Planning Division in the Office of Program Analysis and Evaluation, Office of the Secretary of Defense (OSD), a position he has occupied since 1995. Dr. Burke joined OSD in 1988 after serving as a program manager at Sandia Corporation in Albuquerque, New Mexico. He holds B.S., M.S., and Ph.D. degrees in nuclear engineering from the Massachusetts Institute of Technology. He is an International Affairs Fellow of the Council on Foreign Relations and served as a visiting scholar at the Center for International Security and Cooperation at Stanford University in 1992-93. He has authored numerous publications related to the economic and international aspects of commercial nuclear power reactors, the economic risks of power reactor accidents, export controls on high-technology industries, and costs of DoD programs.
