

Mr. Eric Stern

Procurement (Acquisition) Advisor Program Executive Officer (PEO) Command, Control, and Communications (C3) Systems

Eric Stern is the Procurement (Acquisition) Advisor on the staff of the Program Executive Officer (PEO) Command, Control, and Communications (C3) Systems, Ft Monmouth, NJ. His primary role is to advise and support the PEO, BG Boutelle, on procurement matters such as acquisition strategies, FAR guidance, and acquisition reform initiatives. Eric is also actively involved in awarding a number of support contracts for the PEO in direct support of the PEO's priority First Digitized Division mission.
