

## Defense Acquisition University Alumni Association Membership Drive

**DAUAA Mission:** *The Defense Acquisition University Alumni Association (DAUAA) is a national, non-profit association that provides continuing professional growth within the defense acquisition community and promotes DAU's reputation as a world-class acquisition learning center.*

The Alumni Association supports DAU by offering professional training and networking events and awards. Benefits to individual Association members include discounted pricing for the annual symposium as well as college scholarships for members' children or grandchildren.

The annual membership fee normally is only \$25; now through April 15, 2013, however, the Association is offering a "3 years for the price of 2" promotion. This is a great opportunity to join the DAUAA and save on a 3-year membership or renew your current membership at the reduced rate. For more information, visit the [DAUAA website](http://www.dauaa.org) and click on Membership on top of the page, or go directly to the membership site at <http://www.dauaa.org/membership.htm>.
