

Great News!!!

Excelsior College partners are now eligible to receive tuition discounts on graduate degree programs!

The mission at Excelsior College is to make higher education possible for working adults. As a regionally accredited, nonprofit institution, we offer an alternative model to education – which includes on-line courses, credit by exam and a generous credit transfer policy.

We currently offer master's degree programs in:

- [Business \(MBA\)](#)
- [Cybersecurity](#)
- [Liberal Studies](#)
- [Criminal Justice](#)
- [Nursing](#)
- Health Sciences (COMING IN 2013)

As America's # 1 transfer college; determined by US News & World Report; Excelsior College accepts more graduate level credit in transfer than other accredited institutions.
