

DSMC ALUMNI ASSOCIATION INTERNET FORUM

N O W O P E N F O R B U S I N E S S !

The DSMC Alumni Association (DSMCAA) is pleased to announce its brand-new Internet bulletin board. Our bulletin board provides a forum for defense acquisition professionals and their industry counterparts to comment on and discuss topics relevant to acquiring, supporting, and managing DoD weapon systems, and other issues of professional interest. It also allows users to post questions and others to respond.

As it grows, it will provide you with a means of communicating across all the Services, while also including industry, to explore and define problems, discuss ideas, and research solutions relevant to today's acquisition professionals.

We're now beginning the build-up phase of our forum. Currently, we have several categories pertaining to Acquisition Reform, topics for each of the Services and industry, and one for suggestions. Our forum will change to meet your suggestions – just let us know what you need.

You can access our Internet bulletin board at the following Web site:

<http://www.cais.com/dsmcaa/bb>

Users may also access the site through a link on the DSMCAA Home Page:

Although anyone can read bulletin board messages, posting is limited to DSMCAA members. To register, you will need your member number, which can be found in the latest edition of the DSMCAA Membership Directory. You can also send an E-mail to dsmcaa@cais.com requesting your member number.

See you online!
