*our Second Transformation*

**2010** Annual Report

Defense Acquisition University

# DAU Mission

Provide a global learning environment to support a mission-ready Defense Acquisition Workforce that develops, delivers, and sustains effective and affordable warfighting capabilities.

Impact acquisition excellence through:

- Acquisition certification and leadership training
- Mission assistance to acquisition organizations and teams
- Online knowledge-sharing resources
- Continuous learning assets

# DAU Awards

## 2010 Brandon Hall Research Excellence in Learning Award for Best Use of Virtual Worlds for Learning

DAU was named a recipient of a 2010 Brandon Hall Research Excellence in Learning Award in the Best Use of Virtual Worlds for Learning category. This category is for written descriptions of a workplace learning program that includes the use of a virtual world—such as Second Life or other 3-D immersive online space—for learning. DAU was selected for its Conclave family of immersive learning simulation technologies, part of the toolbox of intact team training capabilities.

## Leadership Excellence—2010 Best in Leadership Development

*Leadership Excellence* magazine connected with over 1,000 organizations to determine the best learning and development programs and practices. DAU was again selected as the Best in Government/Military. DAU has consistently won this top honor every year since 2005.
