

Continuous Learning

Continuous Learning augments education, training, and experience standards established for the DoD AT&L workforce. The DoD Policy on Continuous Learning, signed by the Under Secretary of Defense (AT&L) on September 13, 2002, provides guidance on obtaining, calculating, and documenting continuous learning credit for members of the workforce through a variety of activities. Learn. Perform. Succeed.

Continuous Learning for the DoD AT&L Workforce

A premier corporate university providing
a world-class learning environment

DAU and Continuous Learning

To assist the DoD AT&L workforce members in obtaining the required 80 continuous learning points every 2 years, DAU offers a Web site dedicated to the delivery of continuous learning opportunities.

The DAU Continuous Learning Center offers a wide variety of continuous learning modules in the following areas:

- Business
- Contracts
- Engineering and Technology
- Logistics
- Acquisition Management
- Program Management

Continuous learning activities and credit values are provided below.

CLP = Continuous Learning Point

3 months	15 CLPs
2 months	10 CLPs
1 month	5 CLPs

Features and Benefits

Self paced—Modules are available for users to access and complete at their own pace.

Relevant—All modules contain topics and information relevant to the DoD AT&L workforce.

24/7 Availability—Users may access modules at any time through the Internet.

Browse or Register—Users may browse through any of the modules on the Web site but must register in order to receive a certificate and documented continuous learning points.

Free—The modules are free to all users. In fact, DoD industry personnel are encouraged to take advantage of the continuous learning opportunities.

To register for a DAU Continuous Learning Module, visit the Continuous Learning Center at <http://cl.dau.mil>
