

We're Looking For A Few Good Authors

Got opinions to air? Interested in passing on lessons learned from your project or program? Willing to share your expertise with the acquisition community? Want to help change the way DoD does business?

You're just the person we're looking for.

Write an article (no longer than 2,500 words) and *Defense AT&L* will consider it for publication. Our readers are interested in real-life, hands-on experiences that will help them expand their knowledge and do their jobs better.

What's In It For You?

First off, seeing your name in print is quite a kick. But more than that, publishing in *Defense AT&L* can help advance your career. One of our authors has even been offered jobs on the basis of articles written for the magazine.

Now we can't promise you a new job, but many of our authors:

- Earn continuous learning points
- Gain recognition as subject matter experts
- Are invited to speak at conferences or symposia
- Get promoted or rewarded.

For more information and advice on how to submit your manuscript, check the writer's guidelines at < www.dau.mil/pubs/damtoc.asp > or contact the managing editor at [datl\(at\)dau.mil](mailto:datl(at)dau.mil).

If you're interested in having longer, scholarly articles considered for publication in the *Defense Acquisition Review Journal*, or if you're a subject matter expert and would be willing to referee articles, contact the managing editor at [defensearj\(at\)dau.mil](mailto:defensearj(at)dau.mil). Be sure to check the guidelines for authors at < www.dau.mil/pubs/arq/arqtoc.asp > .
